**FAF Surcharge application – Reefer Cargo – Far East and Intra America**

Effective April 15<sup>th</sup>, 2026

Dear Valued Customer,

Please be advised of the implementation of the Fuel Adjustment Factor (FAF) for all REEFER shipments on the routes below, effective from April 15, 2026:

- East Coast of South America to Far East (AAT)
- East Coast of South America (ILA) – Intra Latin America and Central America and Caribbean and Mexico

The FAF will be applied as a separate surcharge, replacing the Emergency Bunker Surcharge (EBS) previously in effect.

We highlight that the FAF will be reviewed periodically, according to market conditions.

For April 2026, the following rates apply:

| TRADE LANE | BOUND  | TARIFF FAF (USD/CNTR) |
|------------|--|-----------------------|
| AAT        | East Coast of South America to Far East                          | USD 940               |
| ILA        | Intra Latin America and Central America and Caribbean and Mexico | USD 390               |

If you have any question regarding this information, please contact your local sales representative.

We thank you for your business and look forward to continuously supply your global transportation needs.

Yours sincerely,
